Sub : Report of Mentor Mentee System : AY 2022-23

Dear Sir,

This is to certify that below mentioned is the Report of Mentor Mentee System : AY 2022-23

The Mentor Mentee system is implemented at ILS Law College to address the academic and stress related issues of the students. Mentors conduct a common meeting with mentees and multiple individual meetings on need basis. Mentors maintain a constant rapport with their mentees and maintain the individual records. Utmost care is taken to keep the issues, discussions, and records confidential to guard the personal information and issues of the mentees.

In the academic year 2022-23 following were some of the areas discussed and addressed:

- How to improve time management and academic performance
- Stress and anxiety management
- How to secure internships and manage academics
- Adjusting to campus culture
- Library use and library timings
- Hostel and mess related issues

Mentors guide the students to appropriate grievance redressal mechanisms if needed and take a follow up of resolutions. Mentees were given one to one counseling whenever needed and were recommended professional help in severe cases.

Thank you,

Dr. Deepa Paturkar
