ABOUT ILSCA

The ILS Centre for Arbitration and Mediation (ILSCA) was established on 3rd December 2016 by the Governing Council of the Indian Law Society, with the sole purpose of facilitating institutional arbitrations both in domestic as well as International commercial arbitrations. ILSCA also has facilities for conducting ad-hoc arbitrations. Ms. Sathya Narayan, is the present Director of ILSCA.

ILSCA is committed to promote a cordial and rational settlement of disputes between parties. It aims to create an environment in which people can work together to find long-term solutions to conflicts and tensions. The Indian Law Society envisaged ILSCA as a trustworthy, independent, efficient and transparent Arbitration Centre, wherein the disputant parties could resolve disputes by taking recourse to various methods like Ad-hoc Arbitration and Institutional Arbitrations, International and Domestic Commercial Arbitration and other methods such as Arb-Med-Arb, Med-Arb, Mediation, Negotiation and Conciliation. ILSCA will be responsible to provide apposite facilities to assist parties to resolve their disputes through these different methods of alternative dispute resolution (ADR).

ILSCA is situated in a separate designated building which has arbitration hearing rooms, breakout rooms, arbitrator's lounge and a business centre for the smooth running of the proceedings.

ILSCA also proposes to provide training through workshops, training programs and courses to members of the legal fraternity and students of law who have an interest in arbitration and mediation, in collaboration with other professional institutes, wherever necessary, for accrediting Arbitrators and Mediators.
