[Max. Marks: 10]

Instructions to Students:

- 1. Total Marks: 10 Marks***
- 2. Word limit – 1000 Words***
- 3. Attempt any one out of the following***

Q.1 Supreme Court of India is the apex court under our Constitution and can hear grievances against the orders of even the lowest courts. In the light of the above statement, briefly examine the various jurisdictions of the Supreme Court.

OR

There is a growing controversy whether President of India is a nominal head or has the legitimate authority to take requisite decisions in the times of crises. In the light of the above observation, briefly examine the constitutional status of President of India by highlighting his powers and functions.

OR

In India, distribution of power is so effected in our Constitution as to have a strong centre and relatively weak states. In the light of this observation, briefly explain how the powers are divided between the Centre and State under our Constitution through the three lists.

OR

Under article 74, there shall be a Council of Ministers to aid and advise the President in the performance of his functions. In the light of this observation, briefly examine the role of Council of Ministers in performance of the various functions by the President, and highlight the

obligations to be performed by the Prime Minister towards President under Article 78 of the Constitution.
