Rigveda, Mandala-9, Sukta-63, R.ca-5

We will make the whole world “Aryam”. The word “Aaryam” refers to morals, cultural and spiritual excellence leading to eternal happiness. It shall be the ideal of this Society, for accomplishment of which, its efforts will always be directed towards an all round evaluation of the entire population of this vast country. It should be raised to a level of equality on a higher plane ensuring everlasting peace, prosperity and higher mentality. The society looks forward to a period of time when as a result of advancement of the people in their morals and outlook on life, the distinction on the ground of birth will disappear by reason of all reaching a higher level of mental and moral excellence. The prayer of the Society will be to raise the nation to that ideal and its efforts will always be directed with that end in view. :
