## *Our Mission*

“ कृण्वन्तो विश्वमार्यम् ।” - Rigveda, Mandala-9, Sukta-63, R.ca-5

We will make the whole world “Aaryam”. The word “Aaryam” refers to moral, cultural and spiritual excellence leading to eternal happiness. It shall be the ideal of this Society, for accomplishment of which, its efforts will always be directed towards an all round elevation of the entire population of this vast country. It should be raised to a level of equality on a higher plane ensuring everlasting peace, prosperity and higher mentality. The Society looks forward to a period of time when as a result of advancement of the people in their morals and outlook on life, the distinctions on the ground of birth will disappear by reason of all reaching a higher level of mental and moral excellence. The prayer of the Society will be to raise the nation to that ideal and its efforts will always be directed with that end in view :

“ कृण्वन्तो विश्वमार्यम् ।”

*From The President's Chair*

*I joined the Law College of Indian Law Society (commonly known as ILS Law College) as a student of First Year LL. B in the year 1969 with a dream. The dream was to excel as a law student and to be a successful lawyer. I achieved the dream and much more. I was privileged to be associated with Indian Law Society as a student of its college and then its Vice President and now the President.*

*I want each of the students to join this College with a dream. A dream bigger than mine. The excellent faculty of this College would not only impart you academic knowledge but would also help you in developing insight in law and excel in every field of life.*

*Late Shri Y.V. Chandrachud, Former Chief Justice of India, was a student of this College and later became the President of Indian Law Society. In the President's message for the students of this College, he wrote "To have studied Law at ILS College is significant land mark in my life". These words, perfectly reflects my sentiments too.*

*Join this College with a dream, to be a successful lawyer and a distinguished Judge, and above all to be a good citizen. Do give back to the society in fuller measure what you receive from this College*

***Justice Dilip G. Karnik***  
*President, Indian Law Society*

*Life is a better experience with a touch of legality. Since you've decided to pursue a career in legal studies, I welcome you to the fraternity of people for whom life is law.*

*What should be the essential requirements for a person to be a good lawyer-discipline to follow the law, restraint and courage to speak the truth. Compounded with this, a lawyer must also realize his commitment to the society - justice, equity and good conscience must rule his philosophy of law.*

*Only a good legal education, one that allows you to understand the framing of laws and also their correct implementation can promote such qualities. ILS Law College provides you with all this and more. ILS has always been instrumental in producing lawyers par excellence and has been at the forefront of education, research and innovations in the field of law.*

*It is due to the pure dedication and sincerity of its flag bearers, that ILS is, where it is today. I consider myself fortunate to have been a student and the Principal of this college - a part of its 80 year old glorious tradition.*

*I wish ILS and its students all success in their onward march.*

***Late Dr. S.P. Sathe***  
*Former Principal, ILS Law College*  
*(Class of '54)*

*Dear Students,*

*I congratulate you for making a right choice to select ILS Law College for studies of law. Today, ILS is a prestigious name in legal education. A+ ranking by the National Assessment and Accreditation Council - an autonomous body of the University Grants Commission and No. 1 ranking by media fortifies our claim for quality legal education. Generations of our students since the establishment of the ILS College in 1924 have strengthened its reputation. The College has strived to impart socially relevant and professionally designed legal education for last 91 years. ILS Law College was selected for the 'Institutional Excellence Awarded 2013' by the Society of Indian Law Firms (SILF) and Menon Institute of Legal Advocacy Training (MILAT), and Asian 'Best Private Education Institute 2012-13' award by World Consulting and Research Organisation in 2013. Law, according to us, is not an activity of the State, but part of our life. There is no activity of human life with which law is not concerned. Law is the foundation of the Universe and everything is centered in law. This belief is expressed in our motto धर्मे सर्वं प्रतिष्ठितम्। (Everything is centered in law). Guided by this philosophy of law, ILS has nurtured its own educational culture. Law and legal profession have acquired a central place in the global economy. Along the legal complexities, it has become necessary to study impact of globalization on social and political institutions. To facilitate such study, we have made efforts to effectively combine the theory and practice of law. The classroom teaching is supported by moot courts, legal aid, legal literacy and legal research. This will introduce you to court crafts and expose you to social realities.*

*You will enjoy learning law among the multi-cultural and multi-lingual student body, in the beautiful surroundings and free but disciplined ambience.*

*Join our mission on the path of Justice, Liberty and Equality.  
I look forward to meeting you at the ILS*

## Why ILS

ILS Law College is a community of students and staff dedicated to bringing out the best in all of its members. Our aim is to provide the finest opportunities and environment for teaching, learning and research. We have a long and distinguished record of academic excellence and innovation since the foundation of the college in 1924. The basic principle behind the foundation of ILS Law College was to establish a regularized system of imparting legal education. From 1924 to 2017 for over 93 years, we have endeavoured and achieved this ambition and maintained our standards of excellence. Ranked amongst the top Law Colleges in the country, we believe in creating a relaxed and flexible environment to allow students to grow and develop at their own pace. The courses offered here are a product of critical thought and careful experiment over many productive years. We offer an education characterized by a mixture of theory and practice and a commitment to public service. This

college has always been a firm believer in innovation, both in pedagogy and curriculum. In tune with the recent globalization of the profession, a new experiment in learning and teaching of law was proposed to the Ford Foundation at New Delhi for funds under their programme 'Rights & Social Justice' and was implemented. Striving further to harbour individuality of thought and expression and the stimulation to reach the acme of the legal profession, this college organizes a multitude of workshops, conferences and lectures. It has always been the foremost aim of this college to insist on giving students the independence to use the abounding opportunities available and carve out their own niche in college life.

At this college, we give special emphasis on perspectives and insights from other disciplines and encourage an integrated approach to law and an exploration of the legal profession's socio-economic role and ethical commitments.

## Our Roots - the early Days

The early days of the Indian Law Society's Law College date back as far as the year 1902, when Mr. J.R. Gharpure and Mr. P.B. Singhe decided to make a new beginning in the direction of a regularized system of imparting legal education. 'The New Law Class, Bombay' was therefore started in 1903. After running this class for five years, it was thought desirable to start a regular law college, which would be affiliated to a university. Accordingly, the Fergusson College Law Class was started in 1908, and was conducted by Mr. Gharpure. More than 125 students were registered on roll. However within a few weeks, this institution was disaffiliated from the University of Bombay. After a period of more than fifteen years the above experiment was still under trial. The scope for improvement was recognised and on 4th March, 1923, a new society called the 'Indian Law Society' was inaugurated, whose first President was Dr. Sir Narayan Rao C. Chandawarkar. It was proposed at this meeting that a private law college be set up in Pune. After preliminary preparations, the Law college formally commenced operation on the 20th of June 1924, under the banner of the Indian Law Society. It was then known as the 'Poona Law College'. The Society acquired 200 acres of land and the first building called the Saraswati Building was built in 1935. The foundation stone was laid down at the hands of the Late Honourable Srinivas Shastri on 7th January 1935.

The Saraswati building was thoughtfully architected to look like a sage meditating in the 'lotus' position. Subsequently the hostel for resident students, a Gymkhana and a pavilion were also built. The construction of a swimming pool further enriched the facilities. The Laxmi building was later added to meet the growing needs of the College. All this was done under the auspices of the first principal of the college, Nana Saheb Gharpure - a man of great vision & foresight.

Prin. Pandit 1951-71

Prin. Ranade 1971-76

## *Our Mission*

“ कृण्वन्तो विश्वमार्यम् ।” - Rigveda, Mandala-9, Sukta-63, R.ca-5

We will make the whole world “Aaryam”. The word “Aaryam” refers to moral, cultural and spiritual excellence leading to eternal happiness. It shall be the ideal of this Society, for accomplishment of which, its efforts will always be directed towards an all round elevation of the entire population of this vast country. It should be raised to a level of equality on a higher plane ensuring everlasting peace, prosperity and higher mentality. The Society looks forward to a period of time when as a result of advancement of the people in their morals and outlook on life, the distinctions on the ground of birth will disappear by reason of all reaching a higher level of mental and moral excellence. The prayer of the Society will be to raise the nation to that ideal and its efforts will always be directed with that end in view :

“ कृण्वन्तो विश्वमार्यम् ।”

*From The President's Chair*

*I joined the Law College of Indian Law Society (commonly known as ILS Law College) as a student of First Year LL. B in the year 1969 with a dream. The dream was to excel as a law student and to be a successful lawyer. I achieved the dream and much more. I was privileged to be associated with Indian Law Society as a student of its college and then its Vice President and now the President.*

*I want each of the students to join this College with a dream. A dream bigger than mine. The excellent faculty of this College would not only impart you academic knowledge but would also help you in developing insight in law and excel in every field of life.*

*Late Shri Y.V. Chandrachud, Former Chief Justice of India, was a student of this College and later became the President of Indian Law Society. In the President's message for the students of this College, he wrote "To have studied Law at ILS College is significant land mark in my life". These words, perfectly reflects my sentiments too.*

*Join this College with a dream, to be a successful lawyer and a distinguished Judge, and above all to be a good citizen. Do give back to the society in fuller measure what you receive from this College*

**Justice Dilip G. Karnik**  
President, Indian Law Society

*Life is a better experience with a touch of legality. Since you've decided to pursue a career in legal studies, I welcome you to the fraternity of people for whom life is law.*

*What should be the essential requirements for a person to be a good lawyer-discipline to follow the law, restraint and courage to speak the truth. Compounded with this, a lawyer must also realize his commitment to the society - justice, equity and good conscience must rule his philosophy of law.*

*Only a good legal education, one that allows you to understand the framing of laws and also their correct implementation can promote such qualities. ILS Law College provides you with all this and more. ILS has always been instrumental in producing lawyers par excellence and has been at the forefront of education, research and innovations in the field of law.*

*It is due to the pure dedication and sincerity of its flag bearers, that ILS is, where it is today. I consider myself fortunate to have been a student and the Principal of this college - a part of its 80 year old glorious tradition.*

*I wish ILS and its students all success in their onward march.*

**Late Dr. S.P. Sathe**  
Former Principal, ILS Law College  
(Class of '54)

*Dear Students,*

*I congratulate you for making a right choice to select ILS Law College for studies of law. Today, ILS is a prestigious name in legal education. A+ ranking by the National Assessment and Accreditation Council - an autonomous body of the University Grants Commission and No. 1 ranking by media fortifies our claim for quality legal education. Generations of our students since the establishment of the ILS College in 1924 have strengthened its reputation. The College has strived to impart socially relevant and professionally designed legal education for last 92 years. ILS Law College was selected for the 'Institutional Excellence Awarded 2013' by the Society of Indian Law Firms (SILF) and Menon Institute of Legal Advocacy Training (MILAT), and Asian 'Best Private Education Institute 2012-13' award by World Consulting and Research Organisation in 2013. Law, according to us, is not an activity of the State, but part of our life. There is no activity of human life with which law is not concerned. Law is the foundation of the Universe and everything is centered in law. This belief is expressed in our motto धर्मं सर्वं प्रतिष्ठितम्। (Everything is centered in law). Guided by this philosophy of law, ILS has nurtured its own educational culture. Law and legal profession have acquired a central place in the global economy. Along the legal complexities, it has become necessary to study impact of globalization on social and political institutions. To facilitate such study, we have made efforts to effectively combine the theory and practice of law. The classroom teaching is supported by moot courts, legal aid, legal literacy and legal research. This will introduce you to court crafts and expose you to social realities.*

*You will enjoy learning law among the multi-cultural and multi-lingual student body, in the beautiful surroundings and free but disciplined ambience.*

*Join our mission on the path of Justice, Liberty and Equality.*

*I look forward to meeting you at the ILS*

ILS Law College is a community of students and staff dedicated to bringing out the best in all of its members. Our aim is to provide the finest opportunities and environment for teaching, learning and research. We have a long and distinguished record of academic excellence and innovation since the foundation of the college in 1924. The basic principle behind the foundation of ILS Law College was to establish a regularized system of imparting legal education. From 1924 to 2013 for over 89 years, we have endeavoured and achieved this ambition and maintained our standards of excellence. Ranked amongst the top Law Colleges in the country, we believe in creating a relaxed and flexible environment to allow students to grow and develop at their own pace. The courses offered here are a product of critical thought and careful experiment over many productive years. We offer an education characterized by a mixture of theory and practice and a commitment to public service. This college has always been a firm believer in innovation, both in pedagogy and curriculum. In tune with the recent globalization of the profession, a new experiment in learning and teaching of law was proposed to the Ford Foundation at New Delhi for funds under their programme 'Rights & Social Justice' and was implemented. Striving further to harbour individuality of

thought and expression and the stimulation to reach the acme of the legal profession, this college organizes a multitude of workshops, conferences and lectures. It has always been the foremost aim of this college to insist on giving students the independence to use the abounding opportunities available and carve out their own niche in college life.

At this college, we give special emphasis on perspectives and insights from other disciplines and encourage an integrated approach to law and an exploration of the legal profession's socio-economic role and ethical commitments.

## **COMMENCEMENT OF MASTER OF LAWS (LL.M.) PROGRAMME:**

# Five Reasons to Choose Pune - the City & University

If you are looking for complete education - look no further. Students from all over the country and abroad are flocking to Pune, as apart from the academic infrastructure, the culture and ethos of the city too seems to have won the hearts of many a student.

## RECOGNITION

Pune University is ranked among the top five in the country. Almost 30% of foreign students in India are at Pune. The University has over 40 engineering and management institutes.

Pune is also the fastest growing centre for studies in IT. Called the 'Oxford of the East', the city has an enormous student population and a number of renowned institutions

including the National Defence Academy, Film and Television Institute of India, Fergusson College, Gokhale Institute of Politics and Economics and ILS Law College.

## ACCESSIBILITY

Pune is an easily accessible city benefiting from excellent road, rail and air communications. It is well connected to all important cities by direct train services and also has a domestic airport.

## AFFORDABLE LIVING

Pune has the charm of the small city with facilities expected from a bustling metro. Perfect for students, as almost everything is available at an affordable price - from eating joints to internet cafes. Residential accommodation is easily available and is very economical. The city benefits

from an efficient public transport system and general cost of transportation is relatively low. Pune is one of the most preferred destinations for students in India, from South East Asia and Africa. It has a cosmopolitan population imparting it the character of a world city. With the same facilities one would expect from a busy metro, Pune retains the coziness of a small town. It is a very safe place to stay in, the low crime rates being a proof of that. The denizens of this city are helpful by nature, and to settle down in this place does not take much effort.

## CULTURAL CAPITAL

Pune is the cultural capital of Maharashtra. Whatever be your area of interest - Pune's got a lot to offer. Be it theatre or films, dance or music, debating or elocution, yoga or sports - Pune is always abuzz with encouraging and entertaining activities. Associations like the SPIC-MACAY, AIESEC, Lalit Kala Academy, give students ample opportunities to hone their talents.

## ENVIRONMENT

Pune is nature lover's paradise. Within a radius of 5 km from the heart of the city, you have numerous places to visit including the Sinhagad fort, the NDA, the Khadakwasla dam and the natural wonders like the Pashan lake and the hills surrounding the city add to its beauty. Pune has a salubrious climate conducive to work.

## Our Roots - the early Days

The early days of the Indian Law Society's Law College date back as far as the year 1902, when Mr. J.R. Gharpure and Mr. P.B. Singhe decided to make a new beginning in the direction of a regularized system of imparting legal education. 'The New Law Class, Bombay' was therefore started in 1903. After running this class for five years, it was thought desirable to start a regular law college, which would be affiliated to a university. Accordingly, the Fergusson College Law Class was started in 1908, and was conducted by Mr. Gharpure. More than 125 students were registered on roll. However within a few weeks, this institution was disaffiliated from the University of Bombay. After a period of more than fifteen years the above experiment was still under trial. The scope for improvement was recognised and on 4th March, 1923, a new society called the 'Indian Law Society' was inaugurated, whose first President was Dr. Sir Narayan Rao C. Chandawarkar. It was proposed at this meeting that a private law college be set up in Pune. After preliminary preparations, the Law college formally commenced operation on the 20th of June 1924, under the banner of the Indian Law Society. It was then known as the 'Poona Law College'. The Society acquired 200 acres of land and the first building called the Saraswati Building was built in 1935. The foundation stone was laid down at the hands of the Late Honourable Srinivas Shastri on 7th January 1935.

The Saraswati building was thoughtfully architected to look like a sage meditating in the 'lotus' position. Subsequently the hostel for resident students, a Gymkhana and a pavilion were also built. The construction of a swimming pool further enriched the facilities. The Laxmi building was later added to meet the growing needs of the College. All this was done under the auspices of the first principal of the college, Nana Saheb Gharpure - a man of great vision & foresight.

# Residential Accommodation

One of the main concerns for a prospective university student, coming from outside the city of Pune, is the availability of accommodation. The students of ILS Law College enjoy an advantage as, apart from the college hostel for both male and female students, there are a large number of hostels, paying-guest accommodations and student apartments available within a 3 k.m. radius of the college.

## ILS HOSTEL FOR MALE STUDENTS

The Indian Law Society provides accommodation for male students of the college, at the Hostel, which is situated in the campus. Such accommodation is provided strictly on the basis of merit. The hostel offers a total of 154 rooms out of which 46 are

double rooms and 108 are single occupancy rooms. S.C. and S.T. students can avail of the reservation quota solely on the basis of merit. The administration of the hostel is taken care of by the Rectors.

The Hostel has three wings. It is flanked by tennis court on one side and overlooks the picturesque Law College Hill on the other. Ample parking space is also available for the vehicles of residents and visitors.

## ACCOMMODATION FOR FEMALE STUDENTS

Although Pune is a safe city and its extremely low crime rate boasts of this fact, the College believes that a hostel within the premises will provide greater security to the female students, who come to Pune from various parts of India and abroad. Recognizing their need the Society commenced the construction of the ILS Ladies Hostel in the year 2001 and completed it in June 2002. The Hostel was ready for occupation by July 2002 and became functional since then. It provides the basic furniture including a bed, chair, table and cupboard. ## REMEMBERING S.P. SATHE

Professor S.P. Sathe, former Principal of the ILS Law College and the Founder Director of the Institute of Advanced Legal Studies (IALS) was a renowned expert in Constitutional and Administrative Law. A prolific writer with large number of books and articles to his credit, he was well known among the legal fraternity across the globe.

After his passing away in March 2006, to commemorate his contribution to Indian Jurisprudence and Social Action, Professor S.P. Sathe Foundation was set up by the Indian Law Society with a view to encourage academic pursuit of law students.

Like earlier days, this year also three memorial events were organised to mark the 11<sup>th</sup> death anniversary of Dr S.P. Sathe the events were organised. The events were Memorial Lecture, National Moot Court Competition and International Conference

The Professor S.P. Sathe 11<sup>th</sup> Memorial lecture was delivered by Professor Dr. Shamnad Basheer, Founder, Spicy IP. He is the first Chair Professor of Intellectual Property Law at the Ministry of Human Resource Development, Government of India. Prior to this, he was the Frank H Marks Visiting Associate Professor of Intellectual Property Law at the George Washington University Law School in Washington DC. Currently he is working with Nirma University as an IP chair. He is also involved in spreading knowledge to all through his trust IDIA (Increasing Diversity by increasing Access to Legal Education) foundation.

He presented his compilation on 'IP Minimalism' for the Memorial Lecture. He began by discussing the interplay of various streams of law, such as the Administrative Law, Tort law, Contracts Law and Competition Law in the IPR Regime; explaining the concepts of IP maximalism, IP expansion, IP excess; the

search for the link between IPR Regime and innovations, that is, added layers of protection vis-à-vis enhanced levels of creativity and probing the intention behind registering intellectual property in today's day.

He said that intellectual property rights have been impacted with the "Dunning Kruger Effect" which has led to phasing out of other important factors which propel innovation like sheer diversity, necessity, chaos, uncertainty, spirituality, etc.

His anecdotal compilation had many one-liners with vast meaning, connotation and significance which enhanced the understanding of his view points. He pointed out, with the aid of quirky examples, the sheer amount of resources being consumed in IP enforcement; the error of criminalizing the failure to abide by the IP laws; the nuisance of grant of interim relief in IP suits and the fact that there can never be convergence in an adversarial system of justice. His address sparked a debate among students regarding why there is a requirement of less Intellectual property protection and more IP free regimes. He strongly advocated his views against certain IPs which are not required i.e. Designs Act.

He concluded by quoting that "today, the IP regime is more resource-centric than relating to human potential."

Professor S.P. Sathe 11<sup>th</sup> Memorial National Moot Court Competition was conducted in four rounds from 23<sup>rd</sup> and 25<sup>th</sup> September, 2016. Total 32 teams of three members each participated in the preliminary rounds.

Preliminary round was judged by practicing professionals from the field of intellectual property rights. A total of 8 teams qualified for the quarter final rounds. ILS Law College and School of Law Christ University qualified to the final round. Total 8 teams argued to qualify to semi-final rounds in 4 court rooms. ## INDIAN LAW SOCIETY'S 95<sup>th</sup> FOUNDATION DAY

“Success means doing the best we can with what we have. Success is the doing, not the getting; in the trying, not the triumph. Success is a personal standard, reaching for the highest that is in us, becoming all that we can be.”

The Indian Law Society celebrated its 95<sup>th</sup> Foundation day on 4<sup>th</sup> March 2017. Dr. Shrikant Paranjpe, Jawaharlal Nehru National Fellow (ICSSR) in the Department of Defence and Strategic Studies, Savitribai Phule Pune University graced the occasion as the chief guest. The members of Indian Law Society, Faculty, Administrative staff of the College and Institute of Advanced Studies joined the Celebrations.

Dr. Shrikant Paranjpe, Principal Vaijayanti Joshi and Advocate P. Narayan hoisted the flag and formally celebrated the 95<sup>th</sup> Foundation day of Indian Law Society.

Principal Vaijayanti Joshi in her address provided a glimpse of 95 years of history of Indian Law Society. The

Chief Guest Dr. Shrikant Paranjpe, through his address, succinctly brought to light the importance of legal education. Law, legal education and development have become interrelated concepts in modern developing societies, which are struggling to develop into social welfare states and are seeking to ameliorate the socio-economic condition of the people by peaceful means. It is crucial function of legal education to produce lawyers with a social vision in a developing country. As professional education, legal education equips law students for filling different roles in society, and discharging various law jobs, the range and scope of which is always expanding in the modern democratic society. Compared with science, technology and medicine, legal education is less technical. A change in the quality, content and complexion of legal education is now viewed as a great social necessity. Today, Law is viewed not merely as an instrument of social control, but also as an instrument of social change.

On foundation day, the college felicitated the Meritorious Students for their curricular and extra-curricular activities at the hands of the Chief Guest. This year apart from felicitating the toppers for the academic year 2014-15, a prize was also given for special contribution in legal aid.

The foundation Day celebrations concluded with a hope to stimulate new prospects of conquest.

## MOOT COURTS AND LAW FESTS

ILS teams participated regularly in many Moot Court and Client Counseling Competitions organized by various law schools like Amity Law School, Delhi, Rasoni Law School, Nagpur, University Law College, Bangalore, National university of Juridical Science, Kolkata, Government Law College of Mumbai, by professional bodies like Bar council of India Trust, Indian Institute of Company Secretaries, Law firm like Anand and Anand advocates, Surana and Surana International Attorney, and organization like Indian Society for International Law, Indian Space Research Organization (ISRO) and International Institute of Space Law.

Students at ILS love moot-courts. They participate in competitions, research extensively in the library, assist college teams in research and help organize competitions. College teams are selected from the Raghavendra Phadnis Moot Court Competition held in the first term. Last year 290 participants vied for a place in the College teams. The Public International Law competition for students of first

two years of the two law courses was held in September 2014 and Novice Moot Court for 1<sup>st</sup> B.S.L. and 1<sup>st</sup> LL.B. students was held in February 2015.
