# **DEEKSHARAMBH: STUDENT INDUCTION PROGRAM**

**Faculty Coordinator:** Mr. Akshay Ugale

**Introduction:** ILS Law College organized the Deeksharambh, Student Induction Program in an offline mode on January 17-18, 2023, for the First Year BA LLB and LLB students. The primary objective of the program was to induct the students to the new institute, make them aware of all the work that is carried out at the college and how they can be a part of everything.

The following is a brief report of all the activities and the session organized over two days.

**Date:** January 17- 18, 2023

**Report:**

**Day 1**

## **Session 1: Welcome Address and Faculty Introduction**

The first session of the first day of induction was held in the Pandit Auditorium of the college where all the faculty members of the college had gathered for a brief introduction of themselves with the students. The session started with an address by Dr. Deepa Paturkar (In-Charge Principal), where she informed the students about the code of conduct and rules of the institution regarding attendance, functioning, day-to-day conduct, and class conduct. Following this, all the faculty members shared their academic details, and talked about their area of research and the subjects they would be teaching.

## **Session 2: Library Orientation**

The library is always considered to be the heart of any academic institution. All the ideas, research, and upgradation evolve from the walls of a library. ILS has a very rich, well equipped, and advanced library in terms of resources. To give a brief tour of the library, Librarian Madhukar Togham took a session about the rules and regulations of the library, resources available in the library, e-database and how to access them, and how to make use of the database for research and publications. The students gave a good response to the session with various queries for the same.

## **Session 3: Orientation of all Cells and Centers**

ILS has a very vivid culture of cells, centers and departments that are engaged in activities around the academic calendar. This session was delivered by Mr. Akshay Ugale. The college has almost twenty-five cells and centers, established for different purposes and objectives which were briefly

informed to students. Mr. Akshay Ugale explained objectives, activities undertaken, student coordinators and faculty coordinators of each cell and center.

Thereafter, a flea market of all the cells and centers was set up outside the auditorium where students were asked to visit and enquire about the activities and other details of the cells and centers from the respective student coordinators.

#### **Session 4: Session on Mental Health and Well Being**

In the post-pandemic era where Mental Health is becoming such a relevant topic for the health of the people, it becomes necessary to talk about mental health and well-being. The current students have a strong presence of social media in their life and need instant gratification through the same. The orientation session was conducted by Dr. Kautubh Joag who is a senior fellow at the ILS Centre for Mental Health Law and Policy. The session was a very interactive one where students asked about their day-to-day queries and questions about how to live a stress-free life.

#### **Session 5: Panel Discussion on Diversity Orientation**

Day 1 ended with the session on Diversity Orientation conducted by Dr. Nitish Nawsagray and Dr. Swati Shirwadkar. The session covered topics like gender diversity, religious diversity, linguistic diversity, and ethnic diversity through the studies of both scholars. Dr. Nawsagaray examined the diversity perspective through the lens of the students while Dr. Shirwadkar shed more light on diversity with the help of her own field experience and case studies.

#### **Day 2**

#### **Session 6: Treasure Hunt**

Treasure Hunt was independently organized for both the batches on the second day. It was organized in such a way that all the clues leading to the treasure were located at different locations all over the campus. The students were running all over the campus and getting to know the campus better at the same time by exploring all the corners.

#### **Session 7: Career Options in Law**

All the law students have an important question right from the start of their law program that what job opportunities they will get after graduating? To get an answer to this question the session on Career Options in Law was organized with ILS alumni Mr. Chinmay Bilgi and Mr. Ziauddin Shekar; Faculty members Ms. Divya Mittal and Ms. Vindhya Gupta.

Mr. Ziauddin was awarded the best student award for 2019 and in his interaction, he shared his experiences of how he exactly managed academics, extracurriculars, and research activities.

### **Session 8: Conclusion**

The final session concluded with a vote of thanks given by Mr. Akshay Ugale. There was a review of all the activities conducted over the past two days and a vote of thanks to all the persons in this program.

## **Skills Development Training Report 2023**

Ms. Smita Sabne Madam planned and organized the placement drive for the batch of 2024 from February 2023 onwards with the Placement orientation of LLB and BALLB batches.

Ms. Deepali Manjarekar & Ms. Ratna Sahasrabuddhe coordinated the placement cell and skills development training activities.

**134 students registered for skill Development Program from II LLB and IV BALLB batches.**

Skill development training program aims to enhance awareness about the significance of soft skills in professional and inter-personal communications and facilitate an all-round development of personality. Soft skills comprise pleasant and appealing personality traits as self-confidence, positive attitude, emotional intelligence, social grace, flexibility, friendliness, and effective communication and leadership skills.

The assignment was a skill and knowledge development intervention to substantiate the placement efforts of the students.

**It covered soft skills as well as technical training:**

- Do's & Don'ts of GD & PI conducted by Dr Deepali Raheja
- Mock Group Discussion conducted by Dr Sugosh Tingre
- Mock technical Interviews were conducted by Vahura Team
- 3 days, 6 Hrs Contracting sessions were conducted by Dr Nilima Bhadbhade Madam.
- 2 sessions of 6 hrs Company Law sessions were conducted by Mr Chirag Oswal.

Students wholeheartedly participated in the skills development training and were very satisfied with the conduct of the skills development program.

Experienced legal professionals together with members from Vahura conducted individual mock interviews of students with special focus on each student's area of interest. These interviews gave a preview and a realistic simulation of an actual interview. The sessions were designed to enable students to make an informed choice about their career decision and give them methods and strategies to prepare successfully for the recruitment process.

The company law and contract law lectures will help the students grasp the corporate law questions asked in placement drives.

The mock GD sessions will help students with cracking the first step in law placements drives where students learn concepts such as when to speak, how to effectively conduct a

critical conversation about a particular topic.
