To,  
The Principal,  
ILS Law College Pune

**Subject:** Regarding Renewal of Google Teaching and Learning Upgrade

Respected Sir,

With reference to the above-mentioned subject, the following is brought to your kind notice.

1. We already have subscribed to the Google Workspace for Education Fundamentals: free of cost since December 2019.
2. Few features in the Education Fundamentals were available free of cost during the pandemic. However, features such as a Maximum number of participants to 250 and breakout rooms, etc. was stopped in January 2021. Hence, we had taken an additional subscription of G-Suite for education enterprise (called Google workspace for education plus- legacy), on 24<sup>th</sup> February 2021, for 20 users, which will expire on 24<sup>th</sup> February 2022.
3. Also the Education fundamentals has stopped the Meet recording feature from 9<sup>th</sup> January 2022, which was available for all faculty members till then.
4. In light of continuing the use of all features of Online Teaching Learning Activities, by the full-time teaching users we need to renew the subscription.
5. On inquiry for renewal, it was found that Google is offering a Teaching-Learning Upgrade Module which is suitable for our requirement and costs lesser than the Education Plus module. We may take the subscription for 45 users instead of renewing 20 users of the Education Plus – Legacy, to ensure that the facility of Meet recording may be available to all the full-time faculty users.

In light of the above, we request your permission for subscribing to the Teaching-Learning Module from Google Workspace instead of renewing Education Plus – Legacy.

Thank you.

Yours Sincerely,
