

CENTER FOR TECHNOLOGY, IP AND MEDIA

(Year of Inception - 2022)

Introduction: The Center for Technology, IP, and Media (popularly known as “C-TIM”) is a merger of erstwhile ILS Intellectual Property Rights Cell (Est. 2013-2014; Active from 2013 to 2023) and ILS Cyber Law Cell (Est. 2018; Active from 2018 to 2022). The Center is established with the aim to discuss and educate peers about the contemporary issues in areas of Technology, IP, Media, Entertainment, Cyber, Fashion Laws and provide them with a platform where they can deliberate over all evolving matters and express their opinions regarding the same.

Faculty Coordinators : Dr. Suvarna S. Nilakh and Ms. Vindhya Gupta

Student Coordinators: Mihir Govande and Deveesha Tudekar (V BA LLB)

Student Members: Eisha Singh, Bhumisha Lodaya (both V BA LLB), Raawiah Mansoor (III LLB), Amol Gupta, Samakshi Pandey, Sanaya Khadiwala, Hardi Satta, Aditya Shete, Mr. Yash Jain (all IV BA LLB), Isham Deshpande, Jayati Tandon (both II LLB), Ojas Date, Savani Budhkar, Isha Bharti, Satvik Tiwari (all III BA LLB), Asmi Borawake, Mahima Srivastava, Suhani Gadhve, Tanvi Srivastava and Vrunda Nabira (all II BA LLB)

Details of the activities conducted: The core-activity of the Center is to conduct weekly student seminars discussing legal topics within the scope of subject matter of the Center. In addition to the student seminars the sessions also runs a TIME Blog and a legal pod-cast called TIM TALKS. The seminars are regularly conducted on Thursdays (unless schedule compels otherwise). This year the Centre also introduced C-TIM Challenges, a unique set of Competitions for students in the areas of Technology, IPR and Media Laws. The Center corresponds with the student body at ILS regarding its activities via emails, dedicated WhatsApp Groups, social media platforms such as LinkedIn, Facebook and Instagram. Detailed report of the activities conducted in academic year 2022-23 is given below:-

SEMINARS

Student Seminar I

Title of Session: From Farm to Table: The IP Way

Date: September 8, 2022

Mode: Offline

Name of the Resource Person: Isham Deshpande (II LLB) and Bhumisha Lodaya (V BA LLB)

No. of Participants: 37

Report of the Session: The seminar commenced with the definition of Food Security and its relevance to the IPR. A detailed discussion about the commercial value of genetically modified seeds was carried out. Additionally, statistical information was employed to provide a reality check on the current state of affairs. By illuminating the situation in India and how it lacks the sort of security offered, the first half of the seminar came to an end.

The later part of the discussion focused on the intellectual property protection granted to recipes and other culinary items in the Indian setting. Following a brief introduction to the subject, a comprehensive discussion on the idea expression dichotomy was held. Furthermore, the patentability of food recipes and food manufacturing procedures was explained. The presenter briefly mentioned the importance and need for trade secrets concerning secret recipes. The link between food plating and intellectual property protection was underlined. A discussion was held to determine if food plating came under the jurisdiction of the Design Act 2000.

Student Seminar II

Title of Session: Global IP and Cultural Rights

Date: September 22, 2022

Mode: Offline

Name of the Resource Person: Mihir Govande and Deveesha Tudekar (V BA LLB)

No. of Participants: 32

Report of the Session: The seminar started on a general note of International Trade Law. Student presenters explained the culmination of the GATT and WTO and thereby set a background for the further discussion. Further, important principles of the world trade law affecting the global IP law were discussed; namely – a) principle of national treatment and b) principle of most-favoured nation. Then the evolution of global IP law was discussed by giving a brief introduction to the TRIPS Agreement.

The second part of the seminar concentrated on the cultural rights vis-à-vis International IP Law. The topic commenced with discussions on what exactly is ‘culture’ and ‘cultural rights’, how and

why are the latter to be understood differently from the generic idea of intellectual property rights which are necessarily individual rights. This discussion then moved to the rights of indigenous population over biodiversity and the specific international instruments to that effect. How global IP law via TRIPS agreement fails to adequately recognize and protect the said cultural rights. The discussion ended on a deliberative note as to how the global IP and trade law regime should proceed with bettering the conditions for the cultural rights holders.

Student Seminar III

Title of Session: Meme Material or Infringing Material? - Copyright Infringement through Memes

Date: September 29, 2022

Mode: Offline

Name of the Resource Person: Aditya Shete and Yash Jain (IV BA LLB)

No. of Participants: 42

Report of the Session: The seminar commenced with a brief overview of the copyright and its characteristics. In pursuance of the theme of the seminar the term ‘meme’ was explained with some examples. Following this, the concept of “authorship” was explained and how authorship is associated with a meme maker was explained. The right to protect the work of the author of memes was explained using various Indian as well as international case laws. The doctrine of fair use was explained with the help of various examples. Following this, the concept of transformative works and adaptive works and their difference was discussed.

Student Seminar IV

Title of Session: Internet of Things and Cyber Resilience Act

Date: October 6, 2022

Mode: Offline

Name of the Resource Person: Satvik Tiwari and Isha Bharti (III BA LLB)

No. of Participants: 25

Report of the Session: The seminar commenced with an introduction of the concept of Internet of Things (IoT). Further, the concept of cyber resilience was explained regarding day-to-day usage of electronic devices. Thereafter, the recent framework proposed by the European Union - The Cyber Resilience Act was discussed. Then the subject moved on to the drawbacks of Indian

legislation. Lastly the measures for preservation of our data privacy rights while using the electronic devices were impressed upon.

Student Seminar V

Title of Session: Influencer Advertising in Digital Media: A consumer's perspective

Date: October 14, 2022

Mode: Offline

Name of the Resource Person: Ojas Date (III BA LLB) and Amol Gupta (IV BA LLB)

No. of Participants: 40

Report of the Session: The seminar started with an introduction to the guidelines laid out by the ASCI, in order to understand the guidelines, the audience had to first understand the basic terms that were used in the guidelines. The terms 'Influencer', 'Virtual Influencer', 'Material Connection' and 'Digital Media' along with their roles were explained. The Rules were then taken up which primarily talked about Disclosure, Due Diligence and Addendums, after this the due diligence by the influencers and the addendums to the rules were discussed along with comments by both the presenters about the guidelines and its criticisms with their solutions.

Student Seminar VI

Title of Session: Unconventional Trademarks

Date: October 20, 2022

Mode: Online

Name of the Resource Person: Sanaya Khadiwala and Yash Jain (both IV BA LLB)

No. of Participants: 59

Report of the Session: The seminar commenced with a brief overview of the concept of Trademarks and its essentials, Unconventional Trademarks, and the difference between both these categories. Then categories of trademarks including Sound Marks, Colour Marks, Smell Marks, Shape Marks, Motion Marks and Position Marks were discussed. In the next part international positions pertaining to the jurisprudence of Unconventional Trademarks along with legislative provisions in USA and UK was discussed.

Student Seminar VII

Title of Session: Geographical Indications and Traditional Knowledge: Negotiating the Relationship

Date: November 11, 2022

Mode: Online

Name of the Resource Person: Raawiah Mansoor (III LLB) and Samakshi Pandey (IV BA LLB)

No. of Participants: 47

Report of the Session: The seminar commenced with a discussion on why there is a need to protect GI. After discussing history of global GI law, the present Indian GI regime was discussed with help of landmark cases. Furthermore, the importance of traditional knowledge was impressed, followed by a discussion on the relationship between GI and traditional knowledge. The seminar concluded by highlighting the international status on protection of traditional knowledge and the possible solutions for effective protection of traditional knowledge.

Student Seminar VIII

Title of Session: Protect Your Moves

Date: November 15, 2022

Mode: Online

Name of the Resource Person: Savani Budhkar (III BA LLB) and Deveesha Tudekar (V BA LLB)

No. of Participants: 47

Report of the Session: The seminar began with the introduction to the field of Dance. The presenters along with the participants put forth their perceptions of the art form and discussed its various elements. Pointers like dance being a language, skill, form of expression and technique were elaborated.

The seminar proceeded with the discussion of provisions under which dance is protected which is under 'choreographic work' under Section 2(h) of The Copyright Act, 1957. Case laws highlighting attempts at copyrighting choreography were discussed. Rights like reproduction of sound and visual recordings, issuance of copies and distribution which a performer has were explained with relevant case laws. Participants put forth their views about Indian and Western classical dance forms and an interesting topic about originality of these classical dance forms got everyone engaged. A short discussion on protection of dance under different types of IPs like design, patent and trademarks took place.

Student Seminar IX

Title of Session: Law Governing Cyberspace

Date: November 24, 2022

Mode: Online

Name of the Resource Person: Mihir Govande (V BA LLB)

No. of Participants: 50

Report of the Session: The seminar saw the discussion on the nature of cyberspace in comparison to the traditional legal conception of space. Thereafter various offenses relating to cyberspace were discussed in depth. The pressing concern of cyberspace is the lack of jurisdiction for extra-territorial actions and hence theories of jurisdiction were discussed. The Seminar saw robust student participation and discussion.

Student Seminar X

Title of Session: Law relating to Advertisements

Date: December 1, 2022

Mode: Online

Name of the Resource Person: Deveesha Tudekar (V BA LLB)

No. of Participants: 52

Report of the Session: The Seminar saw discussion on various legislations governing the field of advertisements, Fundamental questions as to whether advertisements amount to IPR infringement, defamation, difference between brand and trademark were discussed. Various strategies used by the advertising agencies and the legal connotations of the same were also discussed at length. The Seminar concluded with discussion on constitutional and consumer protection law.

Student Seminar XI

Title of Session: Child Participation in the Entertainment Industry

Date: December 8, 2022

Mode: Online

Name of the Resource Person: Eisha Singh (V BA LLB) and Sanaya Khadiwala (IV BA LB)

No. of Participants: 43

Report of the Session: The seminar was prompted by the “Guidelines to Regulate Child Participation in the Entertainment Industry”. The discussion began with child artists and their legality and how they earn remuneration despite being incompetent to contract. Then labour and

employment laws were discussed in pursuance to engagement of child actors. Various positioning foreign jurisdictions such as Australia, United Kingdom, USA were compared with the Indian scenario. Ultimately the impact of the guidelines was discussed. The seminar concluded with an activity wherein the participants reviewed a dummy contract of a child artiste in reference to Indian Laws.

Student Seminar XII

Title of Session: Algorithmic Trading and Artificial Intelligence

Date: December 15, 2022

Mode: Online

Name of the Resource Person: Madhavraje Patwardhan (V BA LLB) and Amol Gupta (IV BA LLB)

No. of Participants: 67

Report of the Session: The Seminar talked about what is meant by Algorithmic trading, its definition, meaning, scope, nature and actual practice. To supplement the same legality of artificial intelligence machines was also discussed. Advantages of algorithmic trading were discussed which included - speed and efficiency, improved portfolio management, and reduced human emotions. This was followed by discussion on challenges of algorithmic trading such as - lack of human understanding and fragility of systems, regulation. The seminar concluded with a 30-minute discussion on possible challenges and corresponding solutions to the issues created by algorithmic trading.

Student Seminar XIII

Title of Session: C-TIM Orientation Session: Academic Year 2022-23

Date: January 23, 2022

Mode: Offline

Name of the Resource Person: Mihir Govande, Deveesha Tudekar, Eisha Singh (V BA LLB) and Amol Gupta (IV BA LLB)

No. of Participants: 100

Report of the Session: This Seminar was arranged to introduce the students at ILS Law College, Pune regarding the functioning and scope of activities of Center for Technology, IP, and Media Laws. The Student Coordinators Mihir Govande and Deveesha Tudekar explained the basics of

Intellectual Property Rights. While senior members of the Center Eisha Singh and Amol Gupta spoke upon Media and Technology laws respectively. In the latter half the activities and modes of participation of the same were discussed.

Student Seminar XIV

Title of Session: Copyright- The Enemy of Classical Music

Date: January 27, 2022

Mode: Online

Name of the Resource Person: Aditya Shete (IV BA LLB) and Savani Budhkar (III BA LLB)

No. of Participants: 65

Report of the Session: The premise of the seminar was a recent legal battle on copyright infringement between Thaikkudam Bridge and Kantara's makers. The first half of the seminar dealt with basics of copyright law dealing with musical composition, performance, recording and distribution. The second half of the seminar included activities like making the attendees listen to the songs which were contested in the case at hand and asking their opinion regarding infringement. The inherent nature of raag, taal, pakad, aaroh and avroh was explained to understand the rigid compositional scope of classical music was a contention in the case under discussion

Student Seminar XV

Title of Session: Compulsory Licensing of Medical Technology

Date: February 2, 2023

Mode: Online

Name of the Resource Person: Ojas Date (III BA LLB) and Vrunda Nabira (II BA LLB)

No. of Participants: 63

Report of the Session: The session was opened with a brief discussion regarding the role of IPR in medicine, and the importance of protecting inventions especially in the medical field, establishing a basis for the rest of the session. The high cost of development and long development cycle for pharmaceutical products was discussed. Next, the importance of access to medicines and healthcare was brought up- leading to a discussion on balancing the need for accessing medicine as a public good with the protection of inventions through IPR as an impetus for innovation.

The important provisions regarding compulsory licensing in the TRIPS agreement and the patents

act were covered, with a brief explanation of how these provisions could be implemented to ensure adequate responses in cases of healthcare crises. The next part of the session covered a few case studies of attempts to enforce compulsory licensing both internationally, and domestically, going over a Brazilian policy which compulsorily licenses HIV/AIDS medication, as well as two cases in Indian Courts- Bayer v. Natco and Lee Pharma v. Astrazeneca. The session closed with an overview of the current position of law with regard to compulsory licensing in India in light of the above-mentioned cases.

Student Seminar XVI

Title of Session: Exploring the Metaverse

Date: February 9, 2023

Mode: Online

Name of the Resource Person: Hardi Satta (IV BA LLB) and Aarya Padhye (III BA LLB)

No. of Participants: 44

Report of the Session: The seminar dealt with the evolving concept of the Metaverse and its interplay with other laws. The following points were discussed at length:

- i) The Evolution of the Metaverse.
- ii) Experiences one would have in the futuristic version of the Metaverse.
- iii) The Scope of Metaverse with regards to Travel and Tourism, Remote Working and Entertainment.
- iv) The interplay of the Metaverse with data privacy, intellectual property, contracts in the Metaverse, defamation in the metaverse along with the applicability of traditional laws such as IPC in the Metaverse.

The discussion ended on a deliberative note on whether there is a need for another legislation to penalize wrongdoers in the Metaverse.

Student Seminar XVII

Title of Session: Well Known Trademarks

Date: February 16, 2023

Mode: Online

Name of the Resource Person: Yash Jain (IV BA LLB) and Asmi Borawake (II BA LLB)

No. of Participants: 65

Report of the Session: The seminar started with a general introduction to trademarks and an activity that required the attendees to identify a few trademarks from their logos. This was followed by an introduction to the concept of well-known trademarks, its significance and the essential factors of well-known trademarks as enumerated in the Trademarks Act 1999. These concepts were explained using real life examples of such trademarks, their proprietors and case laws. In the latter part of the session, the historical background of protection of trademarks as well-known in the national as well as international sphere were discussed. Forthwith, the legal provisions and remedies in India with respect to well-known trademarks along with an overview of the 'Mercedes Benz case' to illustrate 'doctrine of dilution' in the protection of well-known trademarks was explained. After that, a brief roadmap of the application procedure of well-known trademarks was discussed and the seminar was then concluded with an interactive question and answer session.

Student Seminar XVIII

Title of Session: The Power of OpenAI's ChatGPT

Date: February 26, 2023

Mode: Online

Name of the Resource Person: Savani Budhkar (III BA LLB) and Suhani Gadhve (II BA LLB)

No. of Participants: 65

Report of the Session: The session started with an Introduction to Chat GPT which means a generative Pre-Trained Transformer, he gives human-like responses and is a pretrained chatbot. We further delved into the capabilities of this chatbot and what all it can achieve. It was compared with its competitors such as Google's bard AI and the launch malfunction that it did. We then moved on to the Ethical Issues that the AI possesses, we then moved on to the legal issues and instances where India has adopted certain AI mechanisms. After this, the Principles of Inclusivity and Non-Discrimination were explained along with an overview of the principle of transparency. In the end questions were taken from the participants and were answered by the cell members present.

Student Seminar XIX

Title of Session: Basics of Client Counseling

Date: March 17, 2023

Mode: Online

Name of the Resource Person: Amol Gupta (IV BA LLB) and Ojas Date (III BA LLB)

No. of Participants: 65

Report of the Session: The seminar was exclusive to the participants of the client counseling competition conducted under THE C-TIM Challenges, 2023. It started with the basics of Client counseling, telling the participants what the structure of the competition will be and what procedure they have to follow to procure the information from the client in order for them to frame a resolution for the problem provided. The structure of the competition was also discussed in order to explain the participants as to the rules and regulations of the competition via the rulebook. In the end questions were taken from the participants and were answered by the cell members present.

Student Seminar XX

Title of Session: Basics of Negotiation

Date: March 17, 2023

Mode: Online

Name of the Resource Person: Sanaya Khadiwala (IV BA LLB) and Savani Budhkar (III BA LLB)

No. of Participants: 30

Report of the Session: The seminar was exclusive to the participants of the negotiation competition conducted under THE C-TIM Challenges, 2023. It started with the basics of negotiation, telling the participants what the structure of the competition will be and what procedure they have to follow in order to make a successful negotiation with the opposite team. The structure of the competition was also discussed in order to explain the participants as to the rules and regulations of the competition via the rulebook. In the end questions were taken from the participants and were answered by the cell members present.

Student Seminar XXI

Title of Session: Arbitrability of IP Disputes

Date: March 11, 2023

Mode: Online

Name of the Resource Person: Kasturi Pande (V BA LLB) and Amol Gupta (IV BA LLB)

No. of Participants: 65

Report of the Session: This was a joint session conducted alongside the ILS ADR Cell. Resource person from the ADR Cell was Kasturi Pande (V BA LL.B), The session started with a general introduction as to what arbitration is and what are the multiple facets of arbitration, to make this more clear, certain case laws were cited and explained. Then the applicable laws of multiple countries such as the United Kingdom, USA, Canada, Australia and Singapore were explained and compared amongst each other. After that Arbitrability of IP Disputes were explained with reference to the Arbitration act and multiple judicial pronouncements were presented explaining the subject matter. The session was concluded with the following thought in mind: The successful implementation of arbitration in IPR is surely going to be a great success for the disputed parties of IPR. As India has an aim of becoming a hub of international commercial arbitration so the scope of arbitration has also to be widened, the scheme of arbitrability of IP disputes has to be implemented efficiently.

Student Seminar XXII

Title of Session: The Basics of Mooting

Date: April 7, 2023

Mode: Online

Name of the Resource Person: Mihir Govande (V BA LLB) and Aditya Shete (IV BA LLB)

No. of Participants: 29

Report of the Session: The seminar was exclusive to the participants of the Extempore Moot Court Competition conducted under THE C-TIM Challenges, 2023. It started with the basics of negotiation, telling the participants what the structure of the competition will be and what procedure they have to follow for a successful delivery of arguments of the moot. The structure of the competition was also discussed in order to explain the participants as to the rules and regulations of the competition via the rulebook. In the end questions were taken from the participants and were answered by the cell members present.

C-TIM CHALLENGES

Three competitions were conducted dedicated to the issues of Technology, IP and Media. Details of the same are given below:-

Title of the Competition: Negotiation Challenge

Date: March 20-21, 2023

Level: Intra-college

No. of Participants: 32

Details of the Judges: The preliminary round was judged by Tejas Bhonge, Sagar Agarwal, Meenal Bhagat, Anoushka Gahilot, Akash Singh Shantanu Sohoni, Dhruv Jategaonkar (all V BA LLB) and Yogesh Mourya (III LLB).

The judges for the final round was judged by Adv Anjali Naik and Adv Akash Phirange

Report of the Competition: The preliminary round was held on March 20, 2023 amongst 16 teams in 4 chambers each containing 4 teams. The negotiation problem for the preliminary round was drafted by Sanaya Khadiwala, Hardi Satta (IV BA LLB), Savani Budhkar, Isha Bharti (III BA LLB), Asmi Borawake and Vrunda Nabira (II BA LLB).

4 teams reached the final round which was held on March 21, 2023 and there was a single chamber for all 4 teams. The negotiation problem for the final round was drafted by Tejas Bhonge (V BA LLB), Yogesh Mourya (III LLB) and contributed by Shantanu Sohoni (V BA LLB).

Winners:

First Place: Soumik Ghosh & Anshunee Abhyankar (II BA LLB).

Runners-up: Shreya Patni & Vidhi Khimavat (IV BA LLB).

Prize details: The winners and runners-up were provided with certificates and books related to Intellectual Property Rights and Cyber Laws.

Details of Collaboration/ sponsorship: The ILS 11th Intra College Negotiation Challenge Organising Committee provided with assistance by means of making available video recordings of orientation sessions on negotiations.

PODCAST - TIM TALKS

Topic: Digital Personal Data Protection Bill – Analysis and Criticism

Date: December 20, 2022

Details of Resource Person: Amol Gupta (IV BA LLB) and Ojas Date (III BA LLB)

Report of the activity: TIM Talks is the first-ever podcast at ILS Law College. It is aimed at creating and storing discussions amongst law students primarily and also with field experts on nuanced areas of law. With the first episode garnering great response the Center aims to have one episode launched each month.

In this podcast, members of the Center have discussed the new draft of the Digital Personal Data Protection Bill and have critically analyzed the same. They have talked about Obligations of data fiduciary, Control of and exemptions to Central government, Data Protection Board, Anonymity,

Deemed consent, Government control and an autonomous board amongst other things.

Collaboration with MIT School of Bioengineering Sciences & Research, Pune
