

Competition Law Cell

Year of Inception - 2016

Introduction: The Competition Law Cell was incorporated in the year 2016 by some like minded students who felt the need to introduce and engage students of ILS Law College in the emerging field of competition law. The Cell is distinct from the ILS Corporate Law Cell and functions separately. The Cell through its activities aims to bolster the interest of students in the college towards competition law and engage in discussion about the current developments in the law and its interaction with other fields of law.
